

WHAT IS OCCUPATIONAL THERAPY?

ABOUT US

Access Therapy Services is a North Queensland based private practice.

We have a passionate team of health professionals and support staff who work together to offer high quality allied health services nationwide.

OCCUPATIONAL THERAPY

Occupational therapy enables people to participate in daily activities that give meaning and purpose to their lives. This can include work, leisure activities, education and training or just participating in life itself such as spending time with their family, driving, getting dressed or making a meal.

Occupational Therapists promote and support functional independence by:

- Prescribing equipment
- Modifying daily activities
- Facilitating home modifications
- Advocating for health promotion
- Providing education and training
- Conducting OT assessments
- Developing plans and goals to promote independence
- Liaising with community services

OUR SERVICES

At *Access Therapy Services* we provide the following services:

- Workplace Rehabilitation (Injury prevention and management)
- Aged Care
- Home modifications
- Equipment prescription
- Lower limb compression and vascular services
- Palliative care support
- Discharge planning
- Education and training
- Cognitive and sensory assessments
- Continence assessment and prescription
- Consulting services

SETTING OUR SERVICE APART

We are a North Queensland based business passionate about supporting the local community by employing locally trained staff, buying products and services from local suppliers and collaborating with local organisations and businesses.

We also provide:

- Individual one-on-one service
- Case management services
- Customised corporate services
- Private fees claimable under private health funds
- Professionalism
- Timely service
- Tailored services to the specific needs of our patients and clients

Each person that we work with is important and is treated how we would like ourselves, or our family member, to be treated.

SERVICE DELIVERY

Access Therapy Services is a community based team consulting mainly via our home and worksite visits. We also have clinic rooms for some of our services such as vocational rehabilitation (e.g. functional capacity evaluations, pre-employment assessments) and compression and vascular services.

Education and training is conducted onsite at your workplace or in your own home.

FEES AND CHARGES

Private fees will be charged to all patients unless other entitlements apply (see next page). We will advise you of any fees and charges prior to booking your appointment.

Payment will be required on the day of service.
Payment can be made by Cash, EFTPOS, Credit Card, Cheque or Direct Debit.

Wound products and / or compression supplies will be charged to your account.

ENTITLEMENTS AND ELIGIBILITY

Please advise us when booking whether you are eligible for entitlements for the following:

- Department of Veterans Affairs (DVA)
- Enhanced Primary Care (EPC)
- Private Health Fund
- Low care DVA Aged Care Facility residents

DVA white and gold card holders will be eligible for subsidised services through DVA.

If you're unsure about your eligibility for entitlements, please call *Access Therapy Services*.
